A Winning Combination!

Performing as the Gizmo Guys, Allan Jacobs and Barrett Felker have amazed and amused audiences around the world. They work in a great variety of venues including theaters, corporate functions of all types, cruise ships.... you name it, they've done it. Sure, they've made numerous television appearances, won international juggling competitions, and taught at top circus schools. But what makes their act so appealing is their uniquely winning combination of dazzling technique and infectious humor. The Gizmo Guys' rapid-fire act exhilarates and inspires sidesplitting laughter in audience members of all ages.

“The Gizmo Guys were at the same time hilarious, skilled and tops for entertainment. We have provided a variety of programs for our management institute but the Gizmo Guys were the funniest and most impressive yet. It was a relief not to have to worry about embarrassing humor. Their act was clean enough for a church audience and funny enough for the rowdiest group. I could watch them all night.”
